Home Security Checklist.

Burglars like easy opportunities. If they have to make a lot of noise, spend a lot of time or risk being seen, the chances are they won't bother. A good rule of thumb is the 3 minute delay test. **If you can deny entry for 3 minutes or more – chances are the burglars will go elsewhere.**

Doors and Windows.

- 1) Are all external doors / Windows properly fitted?
- 2) What locks are on the doors?
- 3) What locks or restrictors are on the windows?
- 4) Is there glass in the doors?
- 5) Is the glass or panels held in with glazing slips are they internal? or external?

Front _____

Back _____

Side _____

Patio _____

- 6) If you have euro profile cylinders do they stick out of your handle more than 2mm?
- 7) Do you have a door chain / limiter fitted and do you use it?
- 8) Where is the letter box (how close to the lock)
- 9) Where are the keys kept?

Can they be seen from the outside either front or back

Are they accessible to occupants in case of fire

Are they KEYED ALIKE

- 10) Since moving into your home (where there may have been a previous occupier) have you had the locks changed?

Inside Security

- 1) Do you ask for identification before allowing unknown servicemen / callers into your home?
- 2) Do you avoid leaving cash at home?
- 3) Have you automatic timers on some lights when your house is vacant?
- 4) Does your home always look like someone is at home?
